Welcome to the National Independent Truckers and Contractors Association!

The National Independent Truckers and Contractors Association, NITACA, is a professional driver member organization that is dedicated to providing members educational information and resources, unique products and discounted services.

Members are afforded certain benefits, including access to discounted services through NITACA's lifestyle services suite. Services can include discounts on eyeglasses, hotels and other great services. Information regarding these services can be found at nitaca.org.

In addition, members can also benefit from access to an identity management program. Professional drivers spend most of their time on the road where they can easily be prey to an identity theft. This service helps NITACA members restore their identity if it becomes compromised.

And, in an attempt to better help members manage the increasing costs of prescription drugs, NITACA offers its members access to a discount drug program at more than 80% of pharmacies nationally.

Once you become a member, you will be sent a member package that will include member identification cards for certain services, a user name and member identification, which will also be the credentials needed to log on to nitaca.org.

If you have questions, contact us at info@nitaca.org or call us at 1-844-NITACA-1 (648-2221).
